Supervisor Input Survey

Introduction

The Virginia Department of Social Services (VDSS) Family Services Division is seeking information about your experience with and opinion about learning State policy. Your input will be used to develop recommendations and make decisions.

For those individually completing this survey, please provide the following information:

a. Please circle each area in which you work (if one is primary please star that):
CPS (intake, FA, INV); CPS Ongoing; Foster Care; Adoption; APS; Adult Services

b. Please circle your agency size (determined by total number of all staff) with up to:
25 staff; 50 staff; 100 staff; 250 staff; 500 staff or more

c. Please circle which VDSS regional area your agency resides in:
Western; Piedmont; Central; Northern Virginia; Tidewater

Questions

1.What has helped prepare your workers to learn and use State policies in their jobs?

2. What has not helped that is a barrier to your workers in learning and using State policies?

3. How does your individual local agency help prepare you to learn and use State policy?

4. What would be more effective ways for you to learn to use State policy?
